Erasmus+ training course

INTRODUCTION

ERASMUS+ PROGRAMME

KA 153YOU – PROFESSIONAL DEVELOPMENT ACTIVITY

“Activate youth for environment empathy through art.(ENVARTOMENT)”

Agreement Number : 2025-3-PLO1-KA153-YOU-0000123456

Envartoment 1 : Located in Crete Monday 23rd of June (arrival day) – Sunday 29th of June 2025 (departure day)

Congratulations!

Since you are taking this infopack in the double PDA “**Activate youth for environment empathy through art (ENVARTOMENT)**” that means that you are among the 30 participants (and 5 facilitators) that will take part in the youth exchange. There will be participants from Poland, Cyprus, Lithuania, Portugal, and Greece.

You are among these participants because we believe that you will get a lot of benefits from this Professional Development Activities. Also, we believe that you will be the one that can share their experience with others and therefore be the source of enrichment for the other participants.

We hope that these 6+7 days that you will spend at “**envARTonment**” PDA’s will be for you a vivid and useful intercultural experience. To achieve this, we need to look at some practical needs as well and therefore we have prepared this “participants survival guide” for you, which will help to answer any questions and as well to prepare you for the project.

THE TEAM

The team has already been chosen; however, you have to wait until you arrive in Crete in Greece to meet it up. We can tell you that the team of organizers and facilitators are from Cyprus, Greece, Portugal, Lithuania and Poland and we are very excited to work together. Now, you can see only our photos with few details, from the webpage of the program.

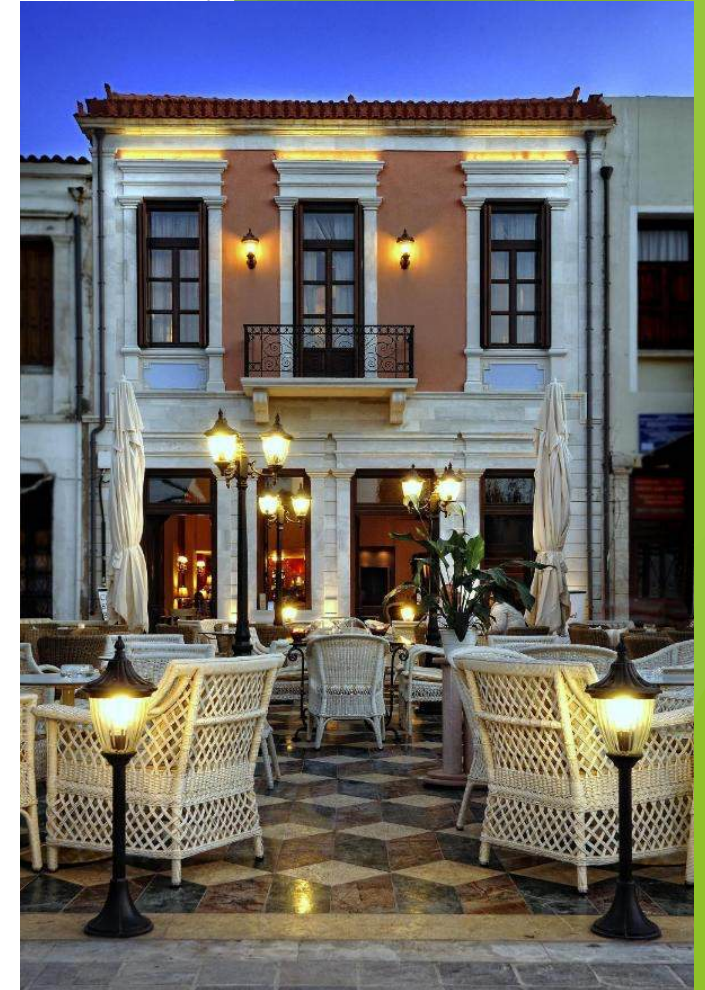

OBJECTIVE

- Promote environmental protection using art
- Art transcend language and cultural barriers
- Art appeals to emotions and can inspire action to turn environmental protection more effective
- Positive perception on environment
- Different types of art would be presented
- Developing skills of English language and more fluent interaction with others participants

Hosting place in Greece (23-29 of June 2025)

We will share nationalities among the apartments(2-4 participants in each apartment). There is a bathroom in each apartment, free WIFI and the participants will be provided with local breakfast, lunch, dinner and coffee breaks during the project. Participants will also be provided with towels, sheets and hygiene items. There is also transportation from Chania airport to the hotel provided by the accommodation.

Hosting place in Greece

As you can check on the website there are a lot of activities and monuments nearby the hotel. There are 2 museums in a 500m radius, the one is archeological museum of Rethimno and the other one is the historical and folklore museum. There is also the Byzantine artistic center and a municipal garden nearby. Don't forget to bring your swimsuits because the beach is 650meters away and there is also jacuzzi provided by the accommodation.

Program

SUCCOMINO - Sustainable Communities and ECO-Innovation 2023-3-PL01-KA153-YOU-000173576
