

# Roofficient: Harnessing the Power of Rooftops

Roofficient is an Italy-based company dedicated to transforming unused rooftop space into sustainable energy solutions. We specialize in the installation and maintenance of solar panel systems for both homes and businesses, while also providing expert roof repair services.

# Sustainable Energy Solutions for Homes and Businesses

We design and install solar panel systems that are customized to meet the unique energy needs of each client.

Our solutions provide clean, renewable energy while reducing reliance on fossil fuels and lowering energy bills.

# Maximizing Unused Rooftop Spaces

**1 Rooftop Assessment**  
We evaluate your existing roof structure to determine the ideal location for solar panels.

**2 Solar Panel Sizing**  
We calculate your energy usage and recommend the right size system to meet your needs.

**3 Customized Solutions**  
We offer various options, from grid-tied systems to battery storage systems.

# Solar Panel Installation and Maintenance

## Expert Installation

Our certified technicians ensure a safe and efficient installation process.

## Regular Maintenance

We provide ongoing maintenance to ensure optimal performance and longevity of your system.

## Remote Monitoring

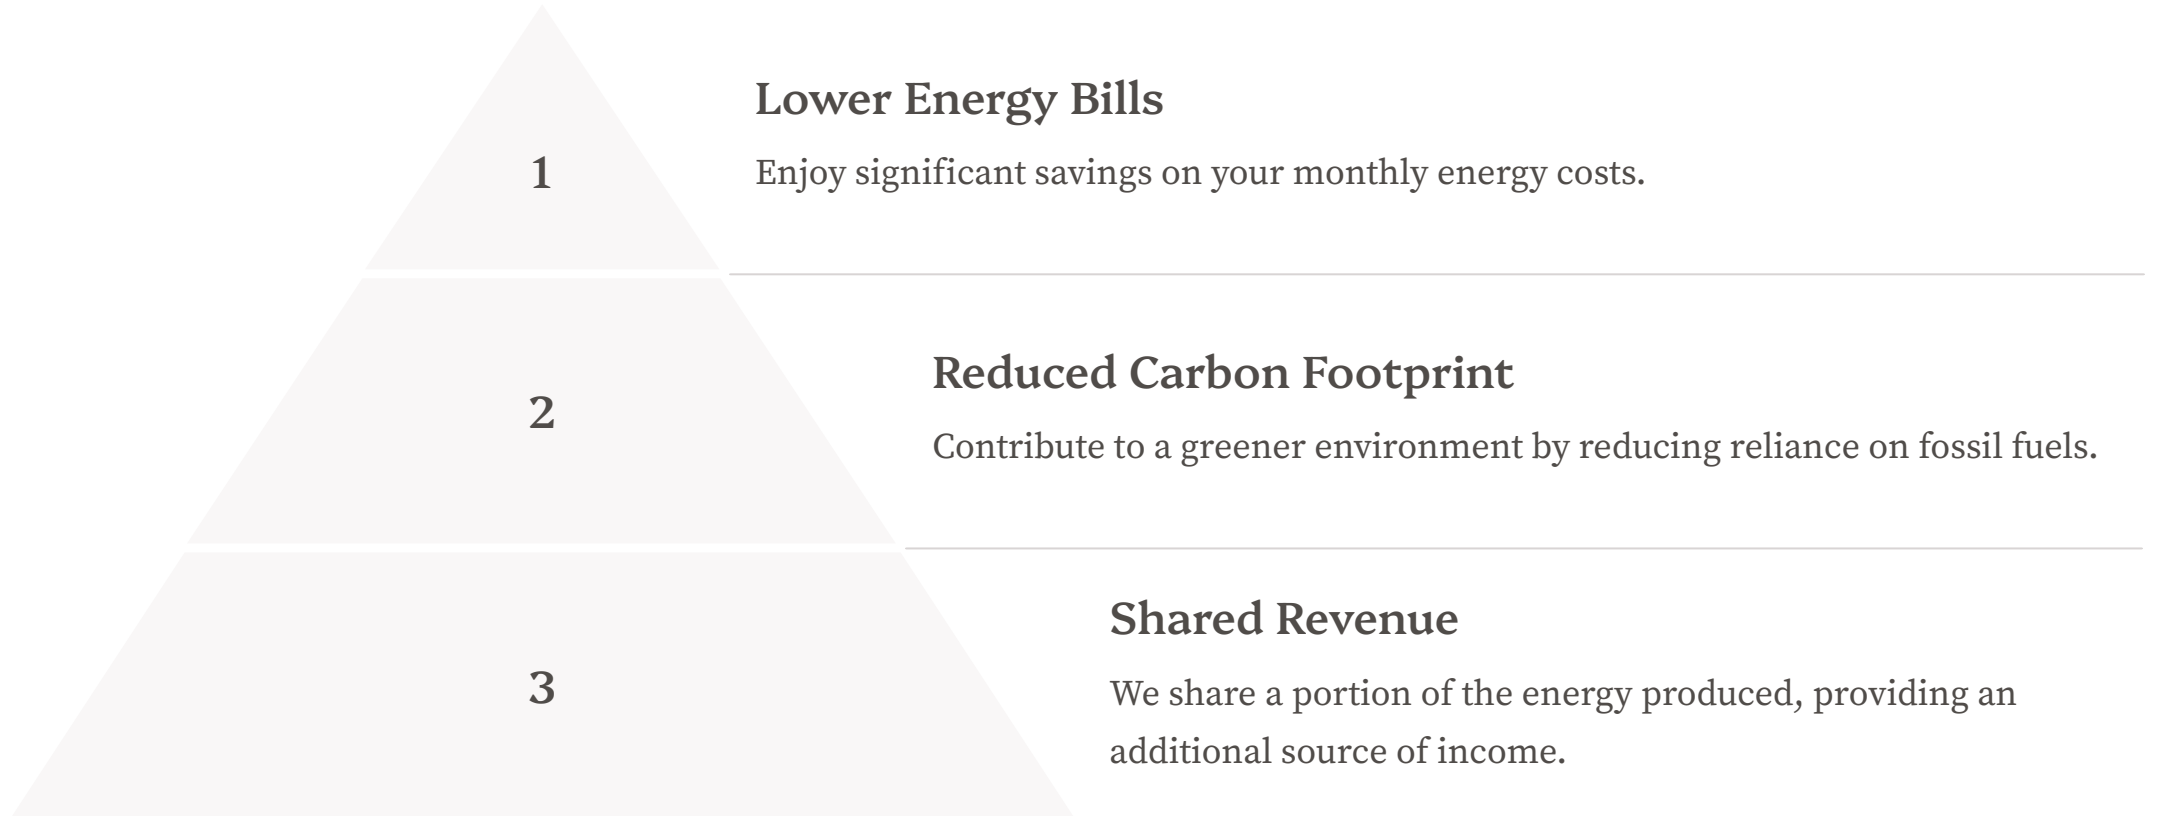

We use advanced monitoring systems to track energy production and identify any potential issues.

# Roof Repair Services for Optimal Performance

- 1 — Roof Inspections
- 2 — Leak Detection and Repair
- 3 — Roof Replacement
- 4 — Roof Maintenance and Cleaning

# Energy Savings and Shared Revenue Model

# Promoting Sustainability: Our Mission
